PERSONAL AND CONFIDENTIAL: SUBJECT: GARY A. CARSON-HULL.

Dear Paul:

Responding to your letter of April 20 about the incident several years ago involving Gary A. Carson-Hull, I am afraid I can't help you very much. Evidence has not been substantiated other than when confronted, Mr. Carson-Hull voluntarily resigned.

Our basis for action comes from the following information:

1. Mr. Gordon Lewis, a committee member of our Troop 33, heard from someone else (another committee member, who he declines to identify) who had visited the Long Beach area a couple of years ago, and somehow found out about an incident involving Mr. Carson-Hull on a youth outing (not confirmed whether it was a Scout outing or not).
2. Evidently, what occurred on the outing was serious, because he was removed from the ministry and told to get help (he was an ordained Methodist minister). This was estimated to have happened 6-8 years ago.
3. Our unidentified Troop 33 leader evidently confronted Mr. Carson-Hull at the time and he confirmed the incident and said he had obtained counseling and he was cured. He moved to Los Altos, CA with his family to start a new life. Based on this statement, it was agreed by those involved to keep him on.

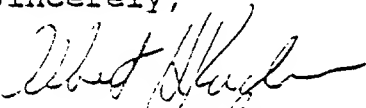

(more)

4. Several months later the council was informed of this situation. When Gordon Lewis contacted me and subsequently I talked with you, Paul, we agreed that if there were, in fact, truth to the rumors, Mr. Carson-Hull should be confronted.
5. This was done very discretely and Mr. Carson-Hull resigned immediately.

I am sorry that we cannot provide more details concerning Mr. Carson-Hull's activities in or around the Long Beach area. Perhaps an inquiry to the Long Beach Area Council would be appropriate. Although as I said before, we have no evidence that this alleged incident was related to Scouting in any way.

Please feel free to contact me if I can be of further assistance.

Sincerely,

Albert H. Kugler
Scout Executive

SUBJECT: GARY A. CARSON-HULL

Dear Al:

We appreciate the Ineligible Volunteer Record Sheet which you recently sent concerning the above named individual. This was most complete and will enable us to identify Mr. Carson-Hull should he attempt registration in some other location.

We would like to have more information concerning the incident several years ago in Southern California. Why was he removed from the ministry at that time?

We would like to know if any other action has appeared recently that should be added to the file.

Sincerely,

Paul Ernst, Director
Registration Service
